Glossaries Chapter 8

Ashihara Shiko-O - 芦原色許男

One of Ookuninushi's different names, representing strength and his nature as the god of war.

Ikutachi, the Living Blade - 生太刀

One of the items that Ookuninushi stole from Susano-O. Other than Ikutachi, the young deity did not neglect to take bow, arrows, and jeweled koto along (not forgetting his elopement with Susano-O's daughter).
